## INTRODUCCIÓN

El fabuloso mundo del teatro con sus historias, escenarios y personajes, es una fantástica herramienta para acercar a los niños al idioma inglés a través de las situaciones que nos muestran, interpretadas principalmente por nativos.

La obra que vamos a representar se desarrolla en diferentes escenarios y se cuenta a través de los diálogos de sus personajes con acentos y características diferentes, que nos van a ayudar a atraer la atención de nuestros pequeños espectadores.

## FICHA TÉCNICA

### Sipnosis

La obra narra la historia de una muñeca de nieve que cobra vida. Un matrimonio humilde y feliz vive en un pueblo en las montañas de Rusia. Su felicidad sería perfecta si pudiesen tener un hijo, pero desafortunadamente no pueden. Un día la mujer encuentra una muñeca de nieve y por su deseo de ser madre, se la lleva a casa. Por la noche, la muñeca de nieve se derrite, pero en vez de desaparecer, se convierte en una niña hermosa y la adoptan como a una hija. La niña, que es encantadora y tiene poderes mágicos, llenará de alegría el hogar. Entabla amistad con unos niños de la zona, con los que compartirá juegos y vivencias. En la trama aparece una bruja malvada que, aunque muestra buenas intenciones, esconde un oscuro secreto.

Destinatarios: alumnos de 3º a 6º de Primaria.

Duración: 1 hora

### Objetivos Generales

Creemos firmemente en la importancia que tiene el que los niños realicen con frecuencia actividades en el idioma inglés, preferentemente de la mano de nativos, para fortalecer su "listening", quizás la habilidad que ofrece más dificultad en el aprendizaje del idioma, si no se ha trabajado desde la infancia.

En Global Project, contamos con la gran ventaja de que el guión de la obra ha sido creado por educadores, con amplia experiencia en la formación de inglés para niños, lo que permite incluir en el mismo, contenidos didácticos adaptados a sus edades, de forma que, sin darse cuenta, se familiarizarán con expresiones y construcciones gramaticales de fácil aplicación en las conversaciones en las que tengan ocasión de participar.

En este sentido, "SNOWGIRL" pretende favorecer el aprendizaje del idioma inglés a través de las conversaciones de sus personajes y sus características.

### Objetivos didácticos

Además de los objetivos generales expuestos, debemos tener en cuenta que cada obra tiene un fin didáctico concreto como aumentar cierto vocabulario, destacar tiempos verbales, diferenciar acentos, etc.

En este caso, “SNOWGIRL” pretende:

- Familiarizar a los niños con el vocabulario y las expresiones que aparecen en la obra y que están relacionados con la familia, el hogar, la amistad, el tiempo meteorológico, etc.
- Reforzar todas las habilidades del idioma inglés (lectura, escritura, comprensión auditiva y expresión oral) a través de actividades amenas relacionadas con el argumento.
- Mostrar una historia como ejemplo de valentía, optimismo y amor que da una hija de la nieve a sus amiguitos.
- Practicar: las construcciones gramaticales que se reflejan en los diálogos para expresar las emociones; tiempos verbales (presente simple, presente continuo, verbos modales como “should”, “must”, “have to” ...); adjetivos descriptivos, etc.

### PREPARACIÓN PREVIA

Antes de la representación, es importante que los niños se familiaricen en su propio colegio con la obra y sus personajes, para lo que vamos a ofrecerles un material adaptado a su edad que les ayudará a la comprensión de la historia.

#### The Theatre Pack:

Los colegios participantes reciben el “THEATRE PACK”, un conjunto de actividades dirigidas al público elegido, divididas en dos niveles diferentes (3º y 4º de Primaria – “level I” y 5º y 6º de Primaria – “level II”), que conviene que los niños realicen antes y después de cada representación, con la ayuda del profesor de inglés de cada colegio.

Para ello, una vez programada la representación, Global Project enviará al colegio un pack de presentación que incluye:

- POSTER DE PRESENTACIÓN
- CD MUSICAL con la canción que anuncia el inicio de la actuación
- DOSSIER DE CONTENIDOS Y OBJETIVOS
- PROGRAMA DE ACTIVIDADES

Como complemento a las actividades previas, se propone un “Proyecto Final” donde todos deben involucrarse representando una escena de la obra (role-play) y creando su cartel de presentación durante los días posteriores a la representación.

On one of the paper plates, cut off the outer rim, making a smaller plate.

Punch a hole near the rim on both plates.

Tie the two plates together, using the ribbon.

On black construction paper, draw and then cut out a top hat and two boots. On coloured construction paper (or gift wrap paper), draw and then cut out two mittens.

Glue the hat, boots and mittens on the snowman.

Either glue on googly eyes or draw eyes. Draw a mouth. For the nose, cut a short length from an orange pipe cleaner. Stick the pipe cleaner through the plate to secure it (if the plate is too tough, make a tiny hole with the tip of the scissors).

For the buttons, you can cut out shapes from construction paper, use round stickers, glue on real buttons, or simply draw them.

You now have a cute snowman decoration!
